Dear Mr. Green,

Thank you for your assistance in the case of State of North Carolina vs. Montdrekus Moore. Because of your willingness to meet with Mr. Cole and me to discuss your video surveillance systems and your willingness to testify in that regard, the videos from your system were stipulated to by both parties and entered into evidence. The jury returned a verdict of guilty as charged in this case and the defendant was sentenced to life in prison without the possibility of parole. Without the assistance of citizens like you, we would be unable to make our community a safer place for all of us to reside.

Thank you again for your cooperation in this case.
